EMERGING LEADERS CERTIFICATE

Reach your leadership potential

WHO IS THIS PROGRAM FOR?

The Emerging Leaders Certificate is designed for early to mid-career professionals who are currently in a management or leadership role, are transitioning into a leadership position, or aspire to become a leader. The program will further build their skills and strengths by updating their capabilities as a leader to meet today's workplace challenges.

HOW CAN THIS FIT INTO MY CAREER GOALS?

This program delivers a flexible, interactive, online approach to leadership development. Through the use of up-to-date research and readings, self-assessments, guided learning activities, and real-world practice, students will develop their leadership skills. It is a comprehensive, systematic approach to developing oneself as an effective leader at the personal, interpersonal, and team/organizational levels.

HOW CAN THIS CERTIFICATE HELP ME?

Through this certificate program, students will gain the knowledge, skills, and confidence to fill a management or leadership position by taking current leadership skills to the next level and acquiring a university credential. Students will gain exposure to practical tools, strategies, and best practices on being an effective leader and meeting their leadership challenges.

With only four courses — all available online — you can complete this program in one year. UWinnipeg alumni receive a **10% discount**.

TRANSFORM YOUR LEADERSHIP POTENTIAL IN ONE YEAR

This program consists of four courses that will enable students to develop their leadership skills. Students will participate in a comprehensive and tailored capstone project with one-on-one support from a coach/mentor. The project will incorporate the frameworks, principles, and tools acquired in the prior three courses to identify a personalized leadership challenge project and complete a leadership development plan.
