# PROJECT MANAGEMENT DIPLOMA PROGRAM

The Project Management Diploma Program provides an analytical framework coupled with essential project management tools for budgeting, procuring, scoping, modeling measuring, and reporting for a broad business application. Given many of the challenges facing business today, organizations are better positioned to thrive by hiring talent who can help drive the business solution process and strengthen growth opportunities. PACE aligns this program with the knowledge requirements of the PMP designation process and industry-recognized standards for best professional practice.

---

## Getting Started

### • To attend a class:

Use the “Register Now” feature on the PACE website to register online for a course through our instant enrolment process or go in-person to the PACE Registration Office.

### • To enroll in a program:

Submit a completed Application for Admission Form to the PACE Registration Office.
