HOW TO GET STARTED

All students pursuing a Certificate or Diploma program must be formally admitted into their program of choice in order to be eligible for graduation. A one-time admission fee of \$50.00 must accompany the admission application.

[Apply here](#)

Once your file is approved for admission, the Program Manager will reach out to set up an appointment (in-person or phone) to assist with program planning.

Any students, who do not have an undergraduate degree, are strongly encouraged to register for the [Writing at University Seminar](#)

FREQUENTLY ASKED QUESTIONS

WHEN TO APPLY

PACE programs have open enrollment. This means students can take classes without being admitted into a program. However, since program requirements can change over time, the University advises students to apply to their desired program earlier in their studies to ensure that they are locked into the program requirements.

Curious about what you have left to take in your program? Use the [Program Planning Tool](#): select your program, choose the courses you have already taken (you can get the list of your completed courses in [WebAdvisor](#), under “Transcript”), and the tool will give a list the courses you still have left to complete the program requirements:

PROGRAM LENGTH

Part-time students have five years, from the date of admission, to complete their program of choice. After completing all of the required courses, students must apply for graduation by submitting an [Application for Graduation](#) form to Professional, Applied & Continuing Education.

TRANSFER CREDIT & CONTINUING IN ADDITIONAL PACE PROGRAMS

TRANSFER OF CREDIT BETWEEN PACE PROGRAMS:

Students admitted to more than one PACE program may be eligible to receive credit for graded course work into another PACE program. Students must complete a minimum number of unique courses to meet program residency. According to UWPACE residency requirements, a student may only transfer in up to a maximum of one-third of the courses required to complete a UWPACE program.

Example:

- The Management Certificate program is 290 hours in total.
- 1/3 of 290 course hours = 96 hours, or 3 UWPACE courses.
- This means that a student may be eligible to transfer in credits up to the maximum equivalent of 3 UWPACE courses from a different PACE program into the Management Certificate program.

For further details, please contact the PACE program office.

ARTICULATION FOR CREDIT TOWARDS A DEGREE:

The University of Winnipeg may recognize credit towards a degree for students who successfully complete a UWPACE certificate or diploma program. Some residency restrictions may apply. Please see [Pathways to Degrees](#).

TRANSFER OF CREDITS:

Transfer of Credit from another accredited educational institution may be considered, if the following conditions have been met:

- Minimum course grade of C+
- Course completed in the past five years
- Course has similar course outcomes to UWPACE's course (course outline may need to be supplied to make this assessment)

Please see [Transfer Credit Assessment](#)

Ask your Program Manager if your organization has an arrangement with PACE to recognize internal training you've completed.

STUDENT CARD & ACCESS TO CAMPUS SERVICES

All PACE students can get a University of Winnipeg Student ID card, and use University campus services, such as the library. Students interested in obtaining a student card must provide confirmation of registration, as well as a piece of photo identification, to The University of Winnipeg Student Services, which is located at 491 Portage Avenue

PRIOR LEARNING ASSESSMENT

PACE recognizes students may have work experience that can be recognized towards a course credit through the prior learning assessment (PLAR).

WHAT IS PRIOR LEARNING ASSESSMENT AND RECOGNITION?

PLAR is a system of evaluating and granting credit to individuals who demonstrate knowledge gained through non-accredited learning equivalent to that expected of a Continuing Education

course. Subject matter experts evaluate students on their skills, knowledge or competencies, and grant credit if evidence and documentation substantiate the required learning.

WHO SHOULD APPLY FOR PLAR?

Students who feel that they have expertise similar to the learning required of a specific course must speak with the Program Manager of the given area of study. The learning needs to be relevant, current, and must meet the required academic standards.

HOW IS PLAR LEARNING ASSESSED?

Prior Learning may be assessed through a variety of methods:

- Challenge exams or tests
- Demonstrations, projects, essays
- Performance observations, interviews, or presentations
- Portfolio assessments - a portfolio is a collection of materials demonstrating and documenting a student's experiences and learning.

Sources of Prior Learning

- Transfer Credit
- Formal, Post-Secondary Credit Courses

Prior Learning Assessment and Recognition

- Self-directed study
- Dated educational course work updated through practical application
- Workplace training programs, on-the-job learning
- Work/life experiences
- Military service
- Leadership/union responsibilities
- Seminars, conferences, or workshops
- Hobbies
- Volunteer activities

HOW MUCH DOES A PLAR ASSESSMENT COST?

The fee for each PLAR submission is half the course cost.

HOW MANY CREDITS CAN BE GAINED THROUGH PLAR?

Students can complete one-third of the course requirements through PLAR, if the residency requirement for the program is still met.

WHAT ARE THE STEPS IN THE PLAR PROCESS?

Students should consult the appropriate Program brochures to compare the course learning outcomes to their learning background.

Before submitting the PLAR Assessment Agreement Form, students must speak with the Program Manager and request the Learning Outcomes.

Learning Outcomes:

- provide a course description.
- describe the skills, knowledge and judgments gained upon completion of a course.
- set the criteria for evaluation.
- list any conditions.

Learning Outcomes are not always available upon request and may take up to three weeks to produce.

The Program Manager will arrange an interview between the student and the subject matter expert. The subject matter expert makes recommendations as to whether the student may proceed with the PLAR. The subject matter expert also sets the PLAR submission deadlines and provides any additional details not described in the Learning Outcomes.

The subject matter expert must sign off the PLAR Assessment Agreement Form and forward it on to the student. The student must then submit the completed form, along with the PLAR evaluation fee, to the Registration Office at PACE.

Notification of the final results will be issued within 4-6 weeks of PLAR submission. The results of a PLAR assessment are final and not subject to appeal.

WHAT GRADE IS ISSUED FOR A PLAR CHALLENGE?

PACE issues a grade of S (Standing) to students who successfully complete a PLAR challenge.

Credits will only be granted for work meeting the standards expected of students who successfully complete the course with a grade of C+ or better.

Students may only use PLAR for courses delivered by PACE, as listed on the website.

If students are not awarded credit after completing the assessment process, they may make one further attempt after six months. Students must provide evidence that they have acquired additional learning.
