**Advanced Diploma in Leadership in Early
Childhood Care & Education**

Information Handbook

A Collaborative Program with The University of Winnipeg,
Professional, Applied and Continuing Education, Professional Studies
and the
Faculty of Arts, Developmental Studies Program

Linking Practitioners, Leaders and Advocates in the Early Childhood Care & Education Community:

Thinking about your professional growth, but not sure of your direction? The University of Winnipeg has an exciting program just for you!

In Fall 2002, The University of Winnipeg launched an **Advanced Diploma in Leadership in Early Childhood Care and Education (ECCE)**, especially targeted towards emerging leaders. This program will help centre directors, educators, and others in the field to consolidate the skills needed to be progressive managers and successful agents of change.

The leadership potential of current or would-be directors, trainers and supervisors will be fostered through courses and seminars in communications, management & organizational development studies, and social policy paired together with childcare specific content. Together, we will develop a vibrant community of leaders in childcare and early education across the licensed and First Nations childcare systems, Aboriginal Head Start and family resource sectors.

The part time **Advanced Diploma in Leadership in ECCE** will draw upon the expertise of The University of Winnipeg's interdisciplinary faculty and the experience of leaders in the childcare community. Some courses will be childcare specific, while others will include students from other sectors; also seeking advanced training in management and communications.

Completion of our program will contribute to your growth across these MANAGEMENT/ LEADERSHIP COMPETENCIES. Ed. Culkin, Mary L.: *Managing Quality in Young Children's Programs The Leader's Role* (Teachers College Press, 2000)

The diploma will be rounded out through our advanced leadership internship that will provide students with first-hand knowledge of the ways in which early childhood research informs public policy, how systems develop, and the roles early childhood leaders can play in its formulation and implementation. The internship experience will encourage students' current or emerging involvement as leaders in the field and provide the not-for-profit and social services community with the interns' dedication, energy, and idealism. Your internship experience will be custom designed to best meet your needs, interests and time availability, but will occur outside your normal place of work.

Length of Program

You have up to five years from the date of admission to complete the program.

Transfer Credits

Students who have been pursuing post-secondary studies at other educational institutions may be eligible for transfer credit of graded course work completed within the last five years toward the Advanced Diploma in Leadership in ECCE program.

Prior Learning Assessment and Recognition (PLAR)

PLAR is a system of evaluating and granting credit to individuals who demonstrate knowledge gained through non-accredited learning equivalent to that which would be achieved through a Professional, Applied and Continuing Education course. Subject matter experts evaluate students' skills, knowledge or competencies, and grant credit if evidence and documentation substantiate the required learning. The learning needs to be relevant, current, and must meet the required academic standards.

Program Residency

Students must complete two-thirds of the program requirements through courses at The University of Winnipeg Professional, Applied and Continuing Education.

The Registration Process:

Registration for Advanced Diploma in Leadership courses is conducted at two different locations:

1. Professional, Applied and Continuing Education (PACE), Professional Studies Courses:

Students register and attend classes for PACE Professional Studies courses at the Buhler Centre (460 Portage Avenue- corner of Portage Avenue and Memorial Blvd.)

PACE courses are offered several times per year – Fall, Winter, or Spring. Refer to the timetable for up-to-date course schedules pace.uwinnipegcourses.ca.

A. Core Courses: (PACE)

Effective Oral Communication
Effective Written Communication
Financial Management for Non-Financial Managers
Principles of Human Resource Management

B. Two electives

C. 35 hours of Professional Edge Seminars

2. Faculty of Arts; Developmental Studies Program Degree Courses:

Upon completion of the PACE courses, students will apply to Faculty of Arts (see #2 above The Faculty of Arts application for admission process) and attend classes for Developmental Studies Program Degree courses at 515 Portage Avenue.

Once you receive your confirmation for admission to the Faculty of Arts, students **must again contact** Stephanie at 204-786-9972 or email: s.rozzi@uwinnipeg
Because these courses require special permission, Stephanie will email you a registration form, which you will complete and return to Stephanie. Your registration will be processed at the end of June during the registration period. Fees are due by the first day of classes.

A. Core Courses: (Developmental Studies, Faculty of Arts):

Fall Term: DEV 3100/3: The Child, Family, and Social Policy
Winter Term: DEV 3610/3: Topics in Leadership in Early Childhood Education
*DEV 3630/3 Advanced Internship
(these are co-requisite courses and must be taken during the same term)

*Advanced Internship

Students will be required to spend 20 full days over the final term before graduation in an off campus capstone experience in order to complete the ADLECCCE requirements. In addition, a weekly one-hour seminar on campus will be scheduled at a time to be determined with the cohort group and instructor. Students should negotiate the time off with their employer as applicable well in advance of the internship start date. Typically, students choose to do 2 days per week over a 10-week period (Jan-March). If you are unable to complete the 20 days within the Winter Term, prior to registering inquire about your options to extend the course until the Spring Term.

Frequently Asked Questions:

Q. Will completing the Advanced Diploma in Leadership in ECCE classify me as an ECE II?

No, the Advanced Diploma is not meant for childcare assistants seeking their ECE II classification. For that kind of training, please contact one of Manitoba's Colleges that do offer diploma level training in early childhood education: Red River College, Keewatin Community College, Assiniboine Community College, or St. Boniface College.

Q. Will completing the Advanced Diploma in Leadership in ECCE classify me as an ECE III?

This diploma program has been approved by the Provincial Government's Child Care Education Program Approval Committee (CCEPAC) as a route toward achievement of ECE III classification (when combined with a current ECE II achieved post 1991). If your ECE II classification was achieved prior to 1991 please contact a Qualifications Coordinator at Manitoba Child Day Care Office 945-0497.

Q. If I have completed the University of Manitoba's Certificate in Day Care Management or other university level courses, can I get credit for them?

Yes! The UW does not believe in forcing you to replicate learning you have already mastered. You may have previously taken courses similar to some that we offer in our program. You may be able to transfer in comparable courses, although you will still need to complete the majority of the Advanced Diploma in Leadership program at the UW. A student advisor will be pleased to review your transcripts with you to determine what "fits". Please contact Ashlie Wilson 982-1179 or email: a.wilson@uwinnipeg.ca for more information.

Q. I have been a childcare director for many years. Does experience count?

Yes! Through our Prior Learning Assessment and Recognition program (PLAR), you have an opportunity to demonstrate your learning via an agreement between you, the UW and the instructor for the course you are seeking credit. This might be through a challenge exam, creation of a portfolio, etc. You pay 1/2 the cost of a course to go through this kind of assessment. Up to 1/3 of the program can be achieved using PLAR. Please contact Ashlie Wilson at 982-1179 or email: a.wilson@uwinnipeg.ca for more information.

Frequently Asked Questions: (continued)

Q. How long will it take me to complete the Advanced Diploma?

That really depends on you and how much time you have to put toward your studies. Courses are offered primarily evenings with some daytime and some Saturday courses. You have up to five years to complete the program. Refer To pace.uwinnipegcourses.ca for the most up-to-date program and timetable information.

Q. How much will it cost to earn my Advanced Diploma?

Remember that any courses you choose to PLAR will cost approximately ½ the actual tuition. But if you complete every course in our program, the total cost would be about \$5,800 depending on electives selected. There will be additional costs for textbooks and student fees. Costs will be spread out over the duration of the time you are enrolled, i.e. you pay only for the courses you are registered for each term.

Q. Where are courses held?

Your PACE courses are held at the Buhler Centre (460 Portage Avenue- corner of Portage Avenue and Memorial Blvd.). The degree credit courses are held at The University of Winnipeg Main Campus, 515 Portage Avenue.

Q. Is there any financial assistance available to help me pay for tuition?

PACE's H.R.Stewart Memorial Scholarship is an award given specifically to a student enrolled in a PACE program. You can also check out Human Resources and Social Development (HRSD) Student Loan information at http://www.hrdc-drhc.gc.ca/student_loans, search under *Creating opportunities for life-long learning*. Finally, if you are a student enrolled part-time at a university, you can claim the total amount of the tuition fees plus the education credit for each month you are enrolled part time as personal tax credits. You will receive your tax T2202A information slip, by the end of February by accessing it through your WebAdvisor accounts.

Q. How will I complete the Advanced Internship when I already work full time?

The Advanced Internship will require you to leave your current workplace to gain a broader perspective of childcare and social policy and to gain experience in exercising your leadership skills. The time commitment can be fulfilled in a number of ways. Many students will choose to attend their internship site twice a week for 10 weeks. You might also choose to fulfill your internship once a week for 20 weeks, or even for three and a half weeks full time. We can spread the internship over one, two, or three terms. Your internship coordinator will customize an experience that works for you and your employment schedule within your area of interest and the needs of the internship sites. (Please note that the internship is unpaid.)

Frequently Asked Questions: (continued)

Q. How will the Advanced Diploma help me do a better job?

Directors have multiple tasks that cross various competency areas, such as mentoring new staff, drafting a budget, attending an interagency meeting, etc. They may still work directly with children and also focus on indirect work within their managerial roles. Increasingly, directors need to deal with larger system issues such as advocacy and public policy on a local or broader level. Our Advanced Diploma in Leadership offers extremely relevant courses that will not only offer personal benefit, but will help to promote best practices and high quality services for children and families.

Q. If I decide to go on for my degree at the UW after I graduate from the Advanced Diploma, what credits will I get?

You may have previously graduated with a two-year (or equivalent) college ECE II Diploma. If so, according to the existing articulation agreement between Red River College (or St. Boniface College) and the University of Winnipeg, Developmental Studies, students are eligible for a block transfer of a full year (5 full courses) of university credits toward their Bachelor of Arts degree. Therefore, you may be eligible to receive 30 transfer credit hours from the ECE II Diploma, which completes a third of your 3 Year (90 credit hour) Bachelor of Arts degree, Major in Developmental Studies.

In the process of earning an Advanced Diploma in Leadership, you may be eligible for up to 24 hours of degree credit based on nine credit hours in Leadership for the Developmental Studies degree0credit course work and up to 15 credit hours for the successful completion of the balance of the program requirements.

If you have graduated with an ECE II Diploma and the Advanced Diploma in Leadership in ECCE you may be well-on-your-way to completing your BA, Major in Developmental Studies with over 1½ years completed toward your 3-year degree.

Remember, you may also receive credit for other university courses you have completed in the past, or may choose to PLAR degree courses, such as *Parents, Professionals and Child Care, Observation & Evaluation Techniques in Child Care Settings, etc.*
