UWinnipeg's unique education model at PACE blends university-level academics with practical, hands-on experience to fully expand the potential of our students.

We offer programs in high-growth career fields with strong employment prospects. We provide unparalleled advantages such as small class sizes and industry-aligned curricula that continually evolve to meet the changing needs of the job market.

PACE programs are taught by accomplished professionals who impart their real-world knowledge to give students a competitive edge. Our connections to industry leaders, associations, and the local community offer additional benefits to students and often provide a bridge to potential job opportunities.

**PACE OFFERS STUDENTS
OVER 600 COURSES YEARLY.**

Stacie Laurencelle

Manager, Insurance, Richardson International

CANADIAN RISK MANAGEMENT, Class of 2009

"The small class size and the diverse perspectives and experiences of students enrolled in the program provided for meaningful discussions. The learnings from our shared experiences demonstrated that you're never too young or old to cultivate a meaningful career in Risk and Insurance."

In her role, Stacie manages, designs, and implements all lines of commercial insurance coverage for Richardson International and each of its subsidiaries. Stacie is also a Director on the board of the Manitoba chapter of the Risk and Insurance Management Society, Inc. as well as the Manitoba chapter representative of the RIMS Canada Council, a standing committee of the Risk and Insurance Management Society, Inc. (RIMS).

Draper Houston

*Communications & Branding Specialist,
Boeing Canada*

**PUBLIC RELATIONS, MARKETING AND STRATEGIC
COMMUNICATIONS DIPLOMA, Class of 2011**

*"The size of the class allowed you to gain
one-on-one time with the instructors who were
actually professionals from the industry.
PACE provided me a solid foundation.
Without PACE, I wouldn't have the basics
that I use in my current position every day."*

After 10 years as an armoured reconnaissance soldier in the army, Draper was re-entering the civilian world and wanted to enter the workforce quickly. He chose PACE because he could complete his program in one year.

MORE THAN AN EDUCATION

PACE programs are packed with extras to provide a comprehensive educational experience.

Nelly Blancas

Project Manager, Manitoba Hydro International

PROJECT MANAGEMENT DIPLOMA, Class of 2017

"My year at PACE allowed me to meet a mosaic of cultures, wonderful people, and enjoy being a student again, but at the same time PACE prepared me to integrate into the labour market."

As a project manager at Manitoba Hydro International (MHI), Nelly manages specialized energy services projects in Latin American countries such as Argentina, Chile, and Honduras, and develops business strategies for the Latin American and Mexican energy markets. She is engaged in the business development and project management activities to support MHI's consulting, engineering, management, and training contracts internationally.

We understand that learning and life experiences go hand-in-hand. We work hard to make your time at PACE educational and enriching through professional development and personal growth opportunities. We offer a number of professional development activities, such as Career Hubs, industry networking events, industry speakers, professional association memberships, a mentorship program, and internship opportunities. Our programs are taught by accomplished professionals in their field who impart their real-world knowledge to provide students with a competitive edge. PACE's connections to industry leaders, associations, and the local community offer additional benefits to students and often provide a bridge to potential job opportunities.

Jessica Bloomfield

Policy and Program Analyst, Post-Secondary Education and Labour Market Outcomes Unit, Government of Manitoba

HUMAN RESOURCES MANAGEMENT DIPLOMA,
Class of 2017

"PACE is an innovative program that is constantly evolving to the demands of today's labour market, students, and their needs, and also finds the right balance of instructors who are passionate in sharing their knowledge."

Jessica is a lead analyst of a team of federal, provincial, and territorial working group members from across the nation working on a communication strategy to share innovative, promising, and best practices in the labour and education sector. In her role, Jessica works to align governments, industry, and post secondary institutions to current and future workforce demands.

ONLINE & HYBRID LEARNING AT PACE

Paula Shaver

*Client Account Manager, Manitoba Liquor
and Lotteries*

MANAGEMENT CERTIFICATE, Class of 2018

*"I loved the online PACE courses where I could
work at a pace that suited my busy life 24/7 no
matter where I was. My PACE experience gave
me skills with oral and written communication
and organizational behaviour; skills I could
put to use every day."*

Juggling a full-time job, small business, and being a wife and mother of three children between the ages of 9 and 19, meant Paula Shaver was looking for a program that met her needs when she decided to upgrade her skills.

You need learning where and when it suits you, which is why PACE offers flexible, personalized learning options. You can choose from in-class, online, and hybrid (blend of in-class and online) courses knowing that the commitment to quality in-program content and expert instruction is consistent across all formats. These courses allow you to take charge and better manage your own learning experience, making it easy for you to learn on your own and to adapt your studies to a busy schedule.

Register Online

You can register online for courses at PACE, even if you have never attended university before. No forms to complete, no admission fees to pay. It is as simple as pick, click, pay, and you are on your way!

Program Planning

Use our Program Planning Tool to create your very own customized schedule. Just choose the program that interests you or the program that you are enrolled in and we do the rest.

Mark Hildahl

Educational Assistant, Louis Riel School Division

EDUCATIONAL ASSISTANT DIPLOMA, Class of 2018

"The PACE program gave me the training I needed to feel comfortable and confident as an Educational Assistant.... And I was hired within a few days of graduating."

As an Educational Assistant, Mark works in the Skills for Living Program in the Louis Riel School Division where he supports students with physical and intellectual disabilities. Mark assists students in integrating into the school and classroom environment.

Rogelio Villaver Jr.

Instructor, Manitoba Institute of Trades and Technology (MITT)

NETWORK SECURITY DIPLOMA, Class of 2018

"Having the Management Certificate built into my Network Security Diploma helped me improve the skills I need to manage and lead teams, especially developing my soft skills."

Rogelio transitioned from student to teacher shortly after his graduation from PACE, combining the skills he developed at PACE with eight years in IT, network, and systems administration in the Philippines.

PATHWAYS TO LEARNING AT PACE

Did you know that you may be able to transfer previous course work towards credits at one of the many programs at PACE? Many PACE students already hold an undergraduate degree or college credential.

People also come to PACE without any previous education and ladder their PACE certificate, diploma, or course work towards earning a degree.

Whether adding career-finish to previous education or beginning an educational journey, we help you tie all the pieces together and make all of your education count.
