WHO IS THIS PROGRAM FOR?

The Advanced Certificate in People Management is for established people leaders who want to keep abreast of the changing HR landscape. Whether you are an HR leader, administer HR as part of your leadership role, or manage teams, this advanced certificate will help you fine-tune your skills, prepare for the changing landscape, and continue to lead your organization into the future.

HOW CAN THIS CERTIFICATE FIT WITH MY CAREER GOALS?

Building on the strengths of PACE's highly regarded HR training and the expertise of People First, this certificate will help you advance your knowledge and remain a leader in the HR sector with courses that center on people-related issues facing your business now and in the future.

HOW CAN THIS CERTIFICATE HELP ME?

This advanced certificate has been designed in a unique format that combines learnings and practical applications to advance the skills and knowledge of established people managers and leaders. By learning about the very latest trends in HR you will fine-tune your skills and prepare your organization for the challenges that lie ahead.
