

# BECOME A LEADER IN EARLY CHILDHOOD CARE & EDUCATION

Graduates of the Advanced Diploma in Leadership in Early Childhood Care and Education may be eligible for equivalent course credits towards an undergraduate degree at The University of Winnipeg.

The leadership potential of current or would-be directors, trainers and supervisors is fostered through courses and seminars paired together with childcare specific content.

Targeted towards emerging leaders, this program develops progressive managers and successful agents of change in early childhood care and education.

Make the most of your learning experience by choosing from a combination of in-class and online courses.

---

The program has been approved by the Manitoba Government's Child Care Education Program Approval Committee (CCEPAC) as a route towards achieving an ECE III classification, when combined with a current ECE II.
