

MANAGEMENT CERTIFICATE

Develop in-demand leadership skills

THE UNIVERSITY OF
WINNIPEG

Professional, Applied and
Continuing Education

WHO IS THIS PROGRAM FOR?

The Management Certificate is designed for individuals who want to go beyond the basics to develop their professional skills and further their careers by developing in-demand skills such as leading and motivating employees, communication, and problem-solving. This program can be taken fully online, giving students the flexibility to earn this university-level credential while juggling a busy life.

HOW CAN THIS PROGRAM FIT WITH MY CAREER GOALS?

The Management Certificate prepares graduates to move into supervisory or management positions. This certificate is accredited by the National Centre for Management Accreditation (NCMA), through the Canadian Institute of Management (CIM). This national accreditation puts graduates on an accelerated track to qualifying for the CIM designation.

HOW CAN THIS CERTIFICATE HELP ME?

In this certificate students explore current business topics and trends using the case analysis methodology and develop the skills to help businesses compete in the current competitive environment.

Start your studies anytime during the year.

UWinnipeg alumni receive a **10% discount**.

At PACE we create an online learning experience with academic rigour, world-class instruction, an immersive learning environment, and exceptional student supports.

International Students may apply for this program as all courses are completed in your home country via online learning. This program does not allow for application of a study visa.

Students may take courses in any order as long as they have the required prerequisites. Students may condense their studies by taking more than one course per term.

**There is a 20% increase in tuition for international students enrolled in part-time programs. Each course is paid for at time of registration. Costs may vary depending on mode of course delivery and are tentative.*

WHAT OUR GRADUATES SAY ABOUT THE PROGRAM

“I loved the online PACE courses where I could work at a pace that suited my busy life 24/7 no matter where I was. My experience gave me skills with oral and written communication, and organizational behaviour; skills I put to use every day.”

—Paula Shaver

Client Account Manager, Manitoba Liquor and Lotteries

“I learned that while the best leaders make it seem almost effortless — planning, research, and situational judgment are critical to effectively lead a team.”

—Jamie Williamson

Manager, Contact Services Planning & Practice Development, Canada Life

“The instructors were more than willing to encourage class discussions and collaboration, one of the many things I was able to bring back to my current role as team lead at work. I enhanced my communication, negotiation, and leadership skills, and see our organization as a holistic entity that is working towards a common goal.”

—Lousie Orbeta

Experienced Technology Leader, Canada Life

As a nationally accredited program, students graduating from the Management Certificate have an accelerated track to earning their Certified in Management designation (CIM), and gaining access to management networking opportunities, professional workshops, conferences, job opportunities, and connection to the local CIM chapter in Manitoba.
