“The program allowed me to embrace my creative side, while applying structure and updated business concepts that formed a well-rounded skill set to tackle any project.”

Rachel Andrushuk

UWinnipeg, Bachelor of Arts, 2015

PACE, Public Relations, Marketing &
Strategic Communication Diploma, 2017
Creative Manitoba,
Independent Artists Program Manager

*"I chose PACE because it was a one-year,
full-time program that would allow me to
quickly get back into the workforce."*

The Management Certificate that came with Rachel's diploma was the main reason she was hired for her current position. There are many artists applying for arts admin jobs, but they have to learn how to manage (budget, plan, etc.) on the job, whereas Rachel learned those skills through the Management Certificate.

PATHWAYS TO LEARNING AT PACE

People also come to PACE without any previous education and ladder their PACE certificate, diploma, or course work towards earning a degree.

Whether adding career finish to previous education or beginning an educational journey, we help you tie all the pieces together and make all of your education count!
