Messages to the Graduands

From the President

Congratulations Graduands!

On behalf of all the faculty and staff who have supported your time at The University of Winnipeg, it is a privilege to celebrate this achievement with you.

You are graduating in unusual times, and while it may look different this year, it is still a time of celebration. It is a time to look back on your accomplishments with pride and to look ahead with anticipation for what is to come.

Whether you are launching a career or pursuing further studies – this is an important milestone on your journey, and we are very proud to have played a role in helping you get to where you are today.

You have learned to think creatively, solve complex problems, collaborate, and communicate effectively with people from diverse backgrounds. These skills are the building blocks of successful careers.

You are now a member of the UWinnipeg family, a close-knit and diverse community that will continue to celebrate your success, wherever your next steps take you.

On behalf of our faculty and staff, congratulations.

James Currie, BSc (Hons), MSc, PhD

Interim President and Vice-Chancellor
The University of Winnipeg

From the Dean

It is a privilege to add my words of congratulations to the PACE graduates and to participate in the celebration of your convocation.

At The University of Winnipeg we are extremely proud of PACE and the unique learning environment it has created. Many PACE students are committed lifelong learners who bring to bear on their studies a wealth of work and life experience. Members of your graduating class come from a variety of backgrounds. Whether you have studied full-time or part-time, whether you are just beginning your career or you came to PACE to further your professional development, we trust that you have shared in and benefitted from the rich classroom setting at PACE. There is no doubt that the most exciting and vibrant part of the University of Winnipeg campus is the second floor of the Buhler Centre. That is because of you. It is the rich background and life experience of its students that creates the learning environment that we celebrate here.

We recognize that your studies at PACE are simply one in a series of steps that you've taken in your education. We hope that your time here has been enriching both in terms of your career and your larger view of the world. We look forward to the opportunity to brag about your inevitable successes. So please stay in touch and let us know what you are up to.

Again, my congratulations and best wishes.

Hugh Grant, BA, MA, PhD

Dean, Faculty of Business and Economics

The University of Winnipeg

From the Executive Director

To the Graduates of 2020

On behalf of the staff and instructors at The University of Winnipeg Professional, Applied and Continuing Education (PACE) I offer you our most sincere congratulations on your graduation today. While we would have preferred to see you in person we are all celebrating with you today. We consider ourselves lucky to have been on this journey with you as you studied at PACE. Whether you studied part-time or were at PACE for a full time program, we know it took a lot of commitment to complete your studies. This year was especially full of new challenges as you had to complete your program remotely. Completing your program demonstrates your hard work and dedication to earn a new credential despite the many challenges placed in your way.

Now that you have reached the end of this journey it is time to celebrate your accomplishment. Earning your certificate or diploma was a huge investment in yourself, so take the time to reflect on what you have learned both inside and outside the classroom. You are now prepared to do anything you want as you have proven you have what it takes to be successful. The world is a better place with you in it.

We are so thankful that you choose PACE as your place of study. Please stay connected with us now that you are a graduate, as there are many opportunities to come back as mentors, guest speakers, or attend some of our events. Some of you will become employers of future graduates, or even future PACE instructors. Your new journey has just begun!

Congratulations graduates and best wishes in your future endeavors.

Kim Loeb, BA, MA

The University of Winnipeg

From the Alumni Association

Congratulations PACE Class of 2020

As President of the University of Winnipeg Alumni Association, I am pleased to offer my congratulations on behalf of our Association to the PACE graduating class of 2020. Your hard work and dedication have culminated in this very special day and I am so happy to share in your excitement and proud to acknowledge your success.

Today you will join our alumni family of approximately 56,000 individuals who have shared a common turning point in their educational lives, the invaluable experiences of being an important part of this unique urban campus.

As stated proudly on our university web site, PACE has been nurturing minds and advancing careers with high quality, dynamic and innovative programs over the past half-century. It uniquely blends university-level academics with practical hands-on experience to expand fully the potential of every student. The talent and diversity of cultures represented at PACE is phenomenal and on spectacular display each January during your cultural evening.

The University of Winnipeg was an important support for you during your school years. By becoming an active member of the Alumni Association, you can remain connected to and supportive of the University of Winnipeg and its students. Going forward, we hope that, through the Alumni Association, you will maintain and enhance your professional and community affiliations.

Though this year has presented us with unique challenges, we are working hard to provide interesting and informative on-line programs. Please stay connected with us so you do not miss our upcoming Speaker Series.

As a proud 1971 graduate of the University of Winnipeg, I know from personal experience that, as the years unfold, you will look back on your time here as your "good old days." Congratulations, each and every one of you!
