## From the President

Congratulations Graduates!

On behalf of The University of Winnipeg community, it is my honour to congratulate you on your accomplishments and welcome you to the grad class of 2021.

Whether you are establishing your career, pursuing further studies, or taking time to pause and consider your options – you have reached an important milestone on your journey and are well-prepared for success.

While keeping focused on your goals and completing the courses necessary to finish your degree during this unsettled time, you have demonstrated the skills necessary to navigate the road ahead. In the process, you built character and revealed inner strengths.

As you embark on this next stage of your life, you will need to continue to work hard and be thoughtful about your choices. I encourage you to approach the unknown with curiosity. Push yourself to try new things and be confident that you have what it takes to succeed.

Your education has shaped your perspectives and equipped you to be the kind of decision-maker – the kind of leader – that our world needs. The knowledge, insights, and friendships you have gained here will serve you well for decades to come.

The University of Winnipeg is a close-knit and diverse community that will continue to celebrate your success. I encourage you to stay connected.

Congratulations!

The University of Winnipeg

## From the Dean

It is a privilege to add my words of congratulation to the PACE graduates and to participate in the celebration of your graduation.

The University of Winnipeg is extremely proud of PACE and the unique learning environment it has created. Because many PACE students have already completed a university degree and have been in the workforce, they bring to bear on their studies a wealth of work and life experience. This diversity within your graduating class is further enhanced by the number of international learners. Whether you have studied full-time or part-time, whether you are just beginning your career or you came to PACE to further your professional development, we trust that you have shared in and benefitted from the rich classroom setting at PACE. It is the diverse background and life experience of its students that creates the learning environment that we celebrate here.

We recognize that your studies at PACE are simply one in a series of steps that you've taken in your education. We hope that your time here has been enriching both in terms of your career and your larger view of the world. We look forward to the opportunity to boast about your inevitable successes. So please stay in touch and continue to be a member of our community.

Again, my congratulations and best wishes.

## From the Executive Director

To the Graduates of 2021

On behalf of the staff and instructors at The University of Winnipeg Professional, Applied and Continuing Education (PACE) I offer you our most sincere congratulations on your graduation today. While we would have preferred to see you in person, we are all celebrating with you today. We consider ourselves lucky to have been on this journey with you as you studied at PACE. Whether you studied part-time or were at PACE for a full time program, we know it took a lot of commitment to complete your studies. This year was especially full of new challenges as you had to complete your program remotely. Completing your program demonstrates your hard work and dedication to earn a new credential despite the many challenges placed in your way.

Now that you have reached the end of this journey, it is time to celebrate your accomplishment. Earning your certificate or diploma was a huge investment in yourself, so take the time to reflect on what you have learned both inside and outside the classroom. You are now prepared to do anything you want as you have proven you have what it takes to be successful. The world is a better place with you in it.

We are so thankful that you chose PACE as your place of study. Please stay connected with us now that you are a graduate, as there are many opportunities to come back as mentors, guest speakers, or attend some of our events. Some of you will become employers of future graduates, or even future PACE instructors. Your new journey has just begun!

Congratulations graduates and best wishes in your future endeavors.

## From the Alumni Association

Congratulations Class of 2021!

As President of the University of Winnipeg Alumni Association, I am pleased to offer my congratulations on behalf of our Association to the Graduating Class of 2021. Your hard work and dedication have culminated in this very special day, and I am so happy to share in your excitement and proud to acknowledge your success.

Today marks not only your graduation, but your membership in the University of Winnipeg Alumni Association. You will join our alumni family of individuals who have shared a common turning point in their educational lives – the invaluable experience of being an important part of this dynamic urban campus.

Despite not having access to on-campus classes and activities, you have learned to think critically, communicate clearly, solve complex problems, and learned valuable skills – and you did it during a most trying time. We are very proud of you and equally proud of the supportive learning environment that our university provides, and the high value that we place on diversity and inclusion. By becoming an active member of your Alumni Association, you can remain connected to and supportive of The University of Winnipeg and its future students. Going forward, we hope that, through the Alumni Association, you will maintain and enhance your professional and community affiliations.

One of the more exciting initiatives that our Alumni Council has been working on with our university partners this past year is how to achieve and enhance alumni engagement. Nothing is more important to us than reaching out, getting to know and working with our alumni. The last few convocations, like this one, did not allow us to meet you in person and proudly hand you your Alumni Association pin and membership card, but we will ensure that as soon as the campus opens up, we will find a way.

In the meantime, we have endeavored to reach out to you via many different social media sites, e-mail and our e-newsletter. We have been offering our speaker series via webinar, and will be planning an exciting line up of speakers for our 2021/2022 year. Please stay connected with us so you do not miss our programs. And feel free to contact our alumni office with ideas on how we can do more for you. We cherish your input and the long-lasting relationships that will result.
