Become a **PACE** Internship Partner

pace.uwinnipeg.ca

Why become an Internship Site

- › Help shape the future by giving exceptional PACE students hands-on experience to consolidate theory and practice
- › Students at PACE are taught by industry-leading professionals, giving our students the edge as they transition from the classroom to the boardroom
- › Only students with a GPA of 3.0 and above qualify for internships – get the best and brightest from our programs
- › Interns volunteer their time in exchange for work experience

Industry-connected

The four-week internship rounds out full-time study for students who have excelled in our programs. With real-world experience at your internship site, PACE students hone their new, applied knowledge and skills under your guidance.

“My internship experience was a stepping stone to achieving my career goals. As I go on and start building my career, I will not forget how my internship experience helped me get where I am right now.”

Alyza Fernandez
